I have supported and attended events and performances at the Barberton Public Schools, White Rabbit Galleries, Kave Coffee Bar, Magical Theatre, Akron Civic Theater, the Weathervane and ArtsNow.

I have also supported the arts in Canton and Cuyahoga County.

TWO: ADVOCACY

The role of mayor includes in large part being a cheerleader and advocate for your city and the assets that make our communities special. During the process of creating the [Akron/Summit Cultural Plan](#), we heard loud and clear that residents want an administration that will make the arts and culture a centerpiece of their administration and legacy and who understands the importance of the arts to the city's economic development, tourism, public spaces, vibrancy, cultural brand, and quality of life.

Response Prompt(s):

- As mayor, how will you use your position to strengthen the arts and culture sector in the city?
- Where will arts and culture fall within your priorities?

Candidate Response: WILLIAM JUDGE

Arts & culture are high priorities for me as we continue to build Barbertons arts & entertainment district and expand these efforts into our neighborhoods.

THREE: RESOURCES

A healthy cultural sector requires sustainable funding sources in order to maximize its potential for community impact. We must invest in our cultural hubs and venues. We must investigate and leverage new funding sources, and we must explore new resources for our sector.

Response Prompt(s):

- What leadership would you provide to ensure sustainable funding of the arts and culture sector?

Candidate Response: WILLIAM JUDGE

I have identified funding internal to the city for sustainable projects in the community.

We are also working with the Barberton Public Schools and the Barberton Public Library on new programs and projects. Growth and sustainability are key to the planning of these programs
